Dear Sir/Madam,

Re: Circus Quirkus – THANK YOU!

I am writing to thank you for the financial support you provide to the Rotary Club of Central Launceston to enable them to arrange a performance by Circus Quirkus again this year.

At Self Help Workplace, we provide employment for people with a disability to undertake a variety tasks and services for the business community including:

- Mail out preparation
- Print finishing
- Component assembly
- Corporate catering
- Timber pallet manufacture
- Survey Pegs
- Garden Stakes
- Cleaning cloth sales

Our employees are proud of the work they do so they are always pleased when the Launceston community shows their support of their work by enabling them to attend such events.

Thanks to your generous donation, many of our employees were able attend the show last night (10th August).

Please pass on the gratitude of all of our employees to your team.

Regards,
