

Attention: Cash customers of The Roofing Centre, Mornington

### A SLIGHT CHANGE TO WHERE YOU WILL PURCHASE OUR PRODUCT

In coming months we will be transitioning to a new way for you to purchase Lysaght and TRC product. We will soon be partnering with a Distributor, Central Roofing Supplies (CRS), who will service our southern based non-account customers.

Where will you buy? Across Mornington Road, from where you are now.

Though you will see a different name at the top of your invoice, Central Roofing Supplies can assure you of the same quality product, at competitive prices, and the service and delivery options you currently enjoy.

We will provide more information and updates as this transition progresses but feel free to ask your trusted TRC Customer Service Representative should you have any questions.
